

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. ## LENHER FAMILY.

Philip Lenhart, born about 1763, died January 3, 1841; married Barbara Hollinger, born January 10, 1766, died October 28, 1846. They dwelt near Ephrata, Lancaster county, Pa., and had twelve children, ten of whom left descendants.

The following inscriptions have been copied from the tombstones which mark the graves of Philip and Barbara in the cemetery of the Brickerville Reformed Church. The last six words of the second inscription have become obliterated.

Hier ruhet Phillip Lenhart gestorben den 3ten Januar, 1841.  
Sein Alter war ohngefahr 78 Jahre.

So laß mich nun in meiner Ruh  
Und geh' nach eurer Heimath zu ;  
Ein jedes denke Nacht und Tag,  
Wie es einst selig sterben mag.

Hier ruhet Barbara Ehegattin von Phillip Lenhart geboren den  
10 Januar, 1766. Starb den 28 October 1846, Alter 80 Jahr  
9 Monat und 18 Tag.

O sündiger Mensch besin doch dich ;  
Grab und Richter rächen sich  
In allem was du red'st und tust.
